Reenlistment Counseling

- I understand I may sell leave on my reenlistment; not to exceed 60 days total in my career.
- I have been counseled regarding my bonus entitlement and obligated service; as well as termination and recoupment policies.
- I understand my authorized term of reenlistment will be in whole years and months and the authorized years and months of my reenlistment is determined by any amount of obligated service I have remaining from any current reenlistment/extension(s) that I have executed. I also understand that any authorized Selective Retention Bonus will be calculated only on the whole years I may reenlist for and that my reenlistment cannot exceed my high year of tenure, plus 1 month and will not exceed 96 months (term of enlistment & obligated service combined), unless otherwise authorized by Air Force policy or recipient of SRB.
- I understand if I intend to reenlist immediately after separation, I hereby authorize my retention in service for a period not to exceed 7 calendar days beyond my date of separation, to complete separation processing, should I, immediately before or after separation date and before reenlistment decline to reenlist.
- I understand that I must reenlist at my home station, unless deployed and **I must not be on leave; in a leave or separation status on the date of my reenlistment**. Additionally, I understand if I am returning from a leave status, **I may not reenlist on the day following my leave end date**. If I am determined to be on leave or in a leave status on my reenlistment date, I will be required to execute a new reenlistment contract when not on leave.

I have read and understand the reenlistment counseling statements above and I understand the timelines, entitlements, and limitations. I also understand it is my responsibility to initiate a request for reenlistment and certify the contracts are correct.
