

**DEPARTMENT OF THE AIR FORCE
502D AIR BASE WING
JOINT BASE SAN ANTONIO**

12 May 2023

MEMORANDUM FOR ALL SUBORDINATE COMMANDS AND JBSA TENANT UNITS

FROM: 502 ABW/CC
2080 Wilson Way
JBSA-Fort Sam Houston, TX 78234

SUBJECT: JBSA COVID-19 Guidance Memorandum #68 – Implementation HPCON 0

1. The installation Health Protection Condition levels will change from HPCON A, Low COVID-19 Community Level Risk, to HPCON 0, Normal Baseline Operations effective 15 May 2023. This change is based on the latest CDC COVID-19 community levels, in concert with the end of the declared national and public health emergency for COVID-19, and in consultation with the installation public health emergency officers.
2. The change to HPCON 0 removes additional requirements posed by HPCON A and resets health protection levels and procedures to normal baseline operations. Under normal baseline operations, units and individuals should resume routine standard operations and maintain standard precautions, such as routine hand washing, coughing on one's sleeve, good diets, exercise, vaccinations, education, routine health alerts, and regular preparedness activities.
3. This letter supersedes JBSA COVID-19 GM #67 and all previous GMs.

RUSSELL D. DRIGGERS
Brigadier General, USAF
Commander
