JBSA School Liaison Program Managers

Untamed, Unrivaled

The Joint Base San Antonio (JBSA) School Liaison Program is proud to support our military-connected students and families throughout the Greater San Antonio area. We serve 49 school districts and over 1,000 schools, providing vital resources and advocacy for students in public, private, and homeschool programs.

To better serve our community, we have recently realigned our support into three regions: Western, Central, and Eastern; encompassing the JBSA installations and their surrounding school districts.

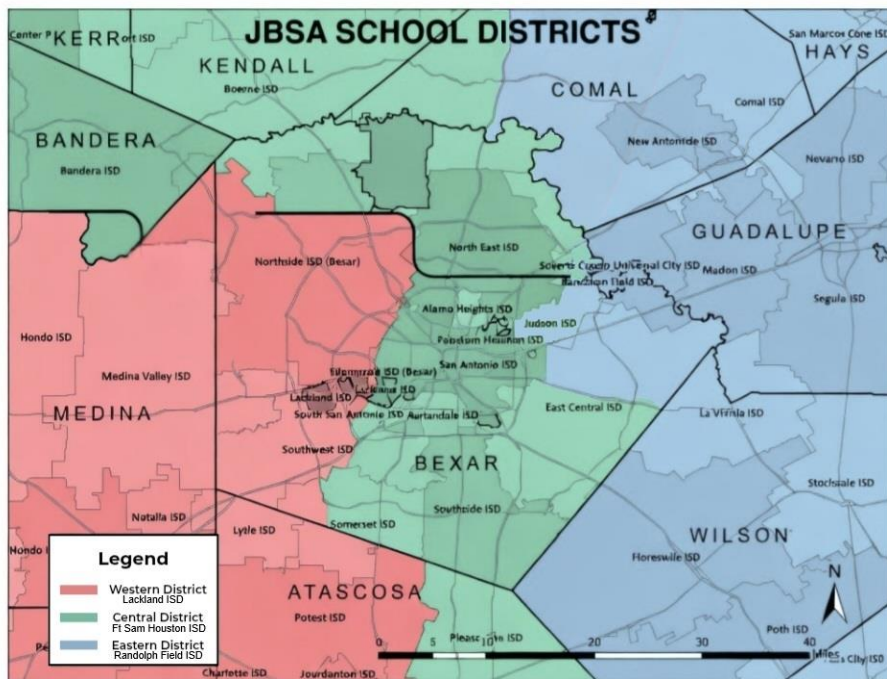

Our dedicated School Liaison Program Managers are:

Western Region (JBSA-Lackland): Ms. Sherrie Walker

Central Region (JBSA-Fort Sam Houston): Ms. Andrea Black

Eastern Region (JBSA-Randolph): Ms. Sarah Fisher

We encourage you to visit jbsatoday.com/school-liaison-program to connect with us and find more information.

Understanding Different School Systems

Untamed, Unrivaled

	Department of War Education Activity (DoWEA)	Public School on Military Installation (PSMI)	Public Independent School Districts (ISD) Off Installation
Governance Body	U.S. Department of War (DoW)	Local & State Government (in Texas this is the Texas Education Agency or TEA)	Local & State Government (TEA)
Student Population	Military-Connected Students Only	Primarily Military-Connected Students	All Students within district boundaries-including military connected students
Location	On U.S. Military Installations (Mostly overseas; only 7 stateside locations)	On 160 specific Military Installations within United States.	Cities and towns across the U.S.
Funding	Federal Government (DoW)	Hybrid: Federal (for facilities) & State (for operations)	State & local taxes
Curriculum	Standardized across all DoWEA schools worldwide	Set by the state and local district	Set by the state and local district
School Board Governance	No locally elected school board	Trustees are recommended and appointed via selected panel members	Governed by a publicly elected school board
Examples	Schools on USAFE/PACAF, Fort Moore (GA), West Point (NY)	Three Schools on JBSA (TX), Fort Bliss (TX)	Northside ISD, San Antonio ISD, Schertz-Cibolo-Universal City ISD

JBSA School Liaisons can help navigate the various school choice options as well as provide limited support for homeschool and private school families. We are here to serve you.

Joint Base San Antonio: The #1 Place to Work, Train, and Live

JBSA School Board of Trustee Appointment Overview

Untamed, Unrivaled

TEA Standard Procedures for PSMIs – Requirements for schools located on TX Military Installations

Legal Framework	Governed by Texas Education Code (TEC) §§11.352, 21.04, 11.061, and Texas Administrative Code (TAC) Chapter 61.
Trustee Requirements	Must be a qualified voter residing or employed on the installation. Serves a two-year term and must take an oath of office.
Application Process	Candidates submit resumes and qualification statements within a 14-business-day window.
Final Approval	A panel recommends a candidate, and the final nomination package is submitted to the TEA for the official appointment.

JBSA Local Procedures (JBSA Only) – Process developed locally to meet specific needs.

Vacancy Announcements	The School Liaison publicizes openings through various installation channels 6 months ahead of vacancy.
Application Management	The School Liaison is the central point for receiving, reviewing, and documenting all applications.
Panel & Evaluation	A Trustee Nomination Panel, guided by a facilitator, interviews and scores all qualified candidates.
Recommendation & Routing	The panel's recommendation is compiled and routed to the Installation Commander for signature. Once TEA approves, the local school district is notified.

Navigating Childcare at JBSA

Untamed, Unrivaled

The screenshot shows a web browser window with the URL jbsatoday.com/child-development-program/. The website header includes the FSS MWR logo and navigation links for Family, Fitness, Food, Fun, FSS, BMT, Events, and The Great Texas Air Show. The main content area features the text "CHILD DEVELOPMENT PROGRAM" and "QUALITY | DEVELOPMENTAL | AFFORDABLE". Below this, there are three tabs: LACKLAND, FORT SAM HOUSTON, and RANDOLPH. A large QR code is overlaid on the right side of the screenshot.

How do I navigate JBSA childcare options?

MilitaryChildCare.com (MCC) is a Department of Defense website for military families seeking child care. This site will allow families to search for and request care from a wide range of military operated and military subsidized child care options across all Services to include Child Development Centers, School Age Programs, and Family Child Care Homes. Additional benefits from Child and Youth Programs (CYP) are standardized procedures for effective waiting list management, expedited placement of children and youth into available programs, and enhanced daily operations for programs.

[MilitaryChildCare.com \(MCC\)](http://MilitaryChildCare.com)

[Navigating CYP Options](#)

Joint Base San Antonio: The #1 Place to Work, Train, and Live

JBSA Child Care Initiatives

POC: Ms. Diana Jones

Untamed, Unrivaled

Current JBSA Child Development Centers (CDC) Capacity: 1,095 Spaces

- Three new CDC's: Fort Sam Houston Projected Completion Nov 2026, Lackland MILCON Awarded 2025, and Randolph MILCON Award TBD
- Fort Sam Houston two CDC's (189 spaces), Lackland three CDC's (628 spaces), and Randolph two CDC's (278 spaces)

Family Child Care (FCC) – CDC alternative option

- JBSA Total: Eight active providers, three inactive providers – 65 enrolled/40 capacity
 - Fort Sam Houston: one on-installation, Lackland: two on-installation/two off-installation, and Randolph: three off-installation
- 10 Provider Applicants in-process: five Fort Sam Houston off post, five Lackland on base, and five Randolph off base.

Brighton Center Partnership – serves children with special needs

- 502d FSS developed a pilot program with Brighton Center to facilitate inclusion support services within our JBSA Child & Youth Programs (CYP)
- Brighton Center proposed expanding the partnership beyond offering specialized childcare to offer inclusion support services within on-installation CYPs (embedded Behavioral Specialist, therapists, preschool intervention team, and specialized training support)
- **Next Steps:** Service pilot on hold due to current Government budget constraints. Once funding is available, AFSVC will move forward with implementation of the Inclusion Support Pilot at Main CDC, JBSA-Randolph

Pre-K 4 SA Memorandum of Understanding (MOU) – CDC alternative care option

- Partnership provides childcare options in the community
- Over 300 military children already enrolled
- 2026 – 2027 School year enrollment begins 1 Feb 2026, and child's age must be three – four years old by 1 Sep 2026

Nature Navigator

Program Opportunities

The Garden's tranquil 39-acres serve as a living museum of native and imported plant life for guests to appreciate, learn from, and enjoy.

The Nature Navigator program serves community partner groups in Bexar County and surrounding counties. We offer free transportation to visitors from all communities to engage in the seasonal Garden programs below.

EXPLORE ON YOUR OWN

Explore the Garden's 39 acres at your own pace. Available Monday - Saturday starting at 9 a.m.

GUIDED TOUR

Guided Tours are designed for groups looking to explore with a guide. Tours range from native plants to seasonal exhibitions in the Garden. Available Tuesday - Friday starting at 9 a.m. | Select Saturdays available

PLANTING PROGRAM

Learn about the importance of plants and water in our daily lives and engage in a planting activity. Available Tuesday - Friday 9 a.m.

GARDEN ART PROGRAM

Make a nature-inspired art piece to take with you. Available Tuesday - Friday 9 a.m.

COOKING PROGRAM

Participants will cook alongside a Garden educator and gain valuable culinary and nutrition knowledge. Select Wednesdays at 10 a.m.

JOIN A PROGRAM

Available Tuesday - Saturday 9 a.m.

Scan QR code to learn more and register for classes!

FPCON Measures

Untamed, Unrivaled

BLUF: 27 March 2026: extended USNORTHCOM 26-006 directing the following DoW specific measures:

• **DoW FPCON MEASURES:**

- BRAVO 3: Enhance off-installation security for DoW facilities (including schools, daycare centers, recruiting centers, reserve forces centers, and critical infrastructure). **Increased SF Presence**
- CHARLIE 2: conduct inspections of all commercial vehicles, to include their drivers and occupants, entering DoW owned or controlled installations or facilities. **Screening at search areas**
- **CHARLIE 6: DISCONTINUE TRUSTED TRAVELER PROGRAM – 100% ID checks, 24/7**
- **DEPLOYED UNIT/ TRAVELER:** CHARLIE 4. The suspension of wearing military uniforms off-duty and in non-secure areas in Mexico including Canada, Mexico, The Bahamas, Greenland, Bermuda, St. Pierre and Miquelon, and the Turks and Caicos Islands.

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

Roads

Untamed, Unrivaled

Road Construction:

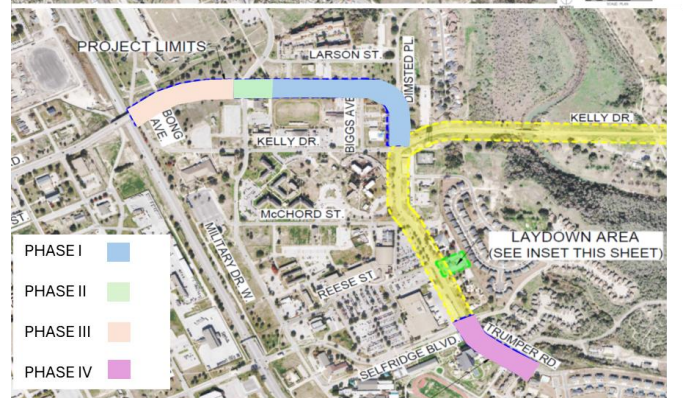

Truemper Blvd. - Military Drive to Housing

Background:

- Top coordination with all stakeholders has occurred to include SFS, Housing, and notification from Public Affairs (PA).
- The Truemper Ave Design/ Build project involves the repair and upgrade of the existing roadway in multiple sections that include both Mill and Overlay and Full Depth Replacement. The Northwest section has a combination of full depth replacement and mill and overlay based upon the severity of the roadway deterioration. The Southeast section consists of a full depth replacement for its entire length leading to the housing area.
- This roadway is a primary artery through the base connecting the East to the West campuses. It is also used as our route for commercial vehicles entering the base through Growden Gate.

Timeline: Road Construction will only occur in phases 1- 4 section only.

Phase	Start Date	End Date
I	22 Jan 26	19 Feb 26
II	30 Mar 26	3 Jun 26
III	4 June 26	20 June 26
IV	21 June 26	15 Sept 26

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

Roads

Untamed, Unrivaled

Road Construction:

Repair William Hardee Rd (Letterman Rd)

Background:

- The William Hardee (Letterman) Rd Repair Design/Build project a complete full-depth reconstruction of the existing roadway.
- The work includes sidewalk, curb & gutter, inlet drains, and reconstruction of compliant ADA Standard ramps for accessible design and adding required paints according to ADA Standards for Accessible Design.

Timeline:

- Road Construction is complete and road is open to the public.
- Pre-final inspection occurred on 15 April 2026
- Striping scheduled for 24 April 2026 and will be accomplished without full road closure. To ensure safety, flaggers will be present to direct traffic and maintain traffic flow.
- Final inspection scheduled for 27 Apr 2026

Phase	Start Date	End Date
I	1 Oct 2025	19 Dec 2025
II	22 Dec 2025	14 Feb 2026
III	16 Feb 2026	30 Apr 2026

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

Fire Safety

Untamed, Unrivaled

Just a few, **FIRE SAFETY TOPIC** reminders:

Space Heaters –

Although temperatures in our area are fluctuating, cooler conditions may still lead personnel to use space heaters.

- Keep all combustible materials at least 3 feet from space heaters.
- Always plug heaters directly into a wall outlet, never use an extension cord or power strip.
- Ensure heaters are equipped with an automatic shut-off feature in case they tip over.
- Only use heaters that are UL-listed or certified by a recognized testing laboratory.
- Turn off and unplug heaters when not in use. Never leave them unattended.

Lithium-ion Batteries -

- Use only approved and certified products. Look for safety certification marks such as UL, ETL, or CSA.
- Always charge devices using the original cables and chargers provided by the manufacturer.
- Do not overcharge! Unplug devices once they are fully charged to prevent overheating and always follow manufactures instructions for safe use and charging.
- Stop using the device immediately if the battery emits an unusual smell, becomes excessively hot, makes a popping or hissing sound and changes shape or color.
- Dispose of batteries properly. Never throw lithium-ion batteries in the trash/recycling bin.
- Use designated battery recycling or hazardous waste collection sites to prevent fire hazards.

If you have any questions, please call your JBSA location's Fire Prevention office for more information

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

Summer Traffic Safety

Untamed, Unrivaled

1. **Children at Play: School's Out!**

Expect the Unexpected: With school out, more children are biking, skating, and playing near streets.

Slow Down in Housing: Strictly adhere to residential speed limits. A few extra seconds can prevent a tragedy.

Heads Up, Phones Down: Avoid all distractions. Stay vigilant, especially near parks, community centers, and crosswalks.

2. **Navigating Construction Zones**

Obey the Signs: Reduced speed limits in construction zones are mandatory, not suggested.

Lane Changes & Merging: Be patient and predictable. Merge early and give other drivers space.

Watch for Workers & Equipment: Construction personnel and heavy machinery require extra room. Give them a wide berth.

3. **Additional Summer Driving Tips**

Beat the Heat: Never leave children or pets in a vehicle, even for a minute. The inside temperature can become lethal in a very short time.

Tire & Vehicle Checks: Hot pavement increases the risk of tire blowouts. Ensure your tires are properly inflated and your vehicle is maintained.

Share the Road: Be mindful of increased motorcycle, bicycle, and pedestrian traffic during warmer months.

Bottom Line: Your awareness and patience are key to a safe summer for everyone on base

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

JBSA Safety

Untamed, Unrivaled

What Our 3 Year Mishap Data is Telling Us:

- Our biggest threats are not from extreme or unusual events
- They are from **routine, everyday activities** where we lose situational awareness

Key Message: Small changes in our daily habits can prevent the majority of injuries

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

JBSA Safety

Untamed, Unrivaled

The "Hidden" #1 Cause of Injury: Ergonomics

- The Data: Strains & lifting injuries are the most frequent cause of on-duty mishaps
- Context: People are getting hurt during routine tasks: moving water jugs, rearranging office furniture, and pushing heavy gates

Preventive Action:

- Ask for a "team lift" for anything heavy or awkward.
- Use mechanical aids (dollies, carts) whenever they are available.

Motor Vehicle Mishaps: It's Not the Highway, It's the Parking Lot

- The Data: Over 70 motor vehicle mishaps were recorded, mostly from low-speed errors.
- The Context: Most of our vehicle accidents are from striking fixed objects (poles, signs) and backing-up incidents.

Preventive Action:

- Treat parking lots as high-hazard zones. **SLOW DOWN.**
- Mandatory for GMVs: If you have a passenger, you **MUST** use them as a spotter when backing up
- Perform a 360-degree walk-around before driving

JBSA: #1 Place to Work, Train & Live – at Leading Edge of Innovative & Joint Solutions

JBSA Safety

Untamed, Unrivaled

Gravity Always Wins: Slips, Trips, and Falls

- The Data: We recorded 58 distinct Slip, Trip, and Fall mishaps, plus another 18 hidden within other reports
- The Context: These happen everywhere—transitioning from wet pavement to tile, tripping over unsecured cables, or missing a step

Preventive Action:

- Adopt a "Spot It, Clear It" mentality - If you see a hazard, don't just step over it — fix it
- Maintain good housekeeping in your workspaces

Summary: Our Path Forward

- **Team Lifts:** Don't lift heavy items alone
- **Slow Down:** Be extra cautious in parking lots
- **Be Proactive:** Fix hazards you see

"Safety is a community effort - Let's look out for each other and prevent these common mishaps"
