How do I navigate JBSA childcare options?

MilitaryChildCare.com (MCC) is a Department of Defense website for military families seeking child care. This site will allow families to search for and request care from a wide range of military operated and military subsidized child care options across all Services to include Child Development Centers, School Age Programs, and Family Child Care Homes. Additional benefits from Child and Youth Programs (CYP) are standardized procedures for effective waiting list management, expedited placement of children and youth into available programs, and enhanced daily operations for programs.

BACK-TO-SCHOOL **Think Safety First**

On the playground, leave necklaces and clothing with drawstrings at home to reduce strangulation hazards.

While biking, skateboarding or riding a scooter to school, use your head, and wear a helmet!

Be a helmet head while playing football, baseball or hockey.

Heads up! When walking don't text or talk on the phone. Distracted walking is dangerous!

Lighten the load! Make sure a backpack is not too heavy.
