MEMORANDUM FOR TDY STUDENTS

FROM: 802 FSS/FSDA

SUBJECT: Student DFAC Use – Addendum

1. This memorandum serves as an addendum to the Rogers Airman Leadership Memo named “Lodging and DFAC Memo” that is dated 20 March 2023.
2. It was noted in the memorandum listed above that the following DFACs are available for student use while they attend Rogers ALS.
 - Chapman Training Annex DFAC -- 1170 Eagle Dr, San Antonio, TX 78227
 - Live Oak DFAC -- 1698 Femoyer St, San Antonio, TX 78236
 - Mesquite Inn DFAC -- 99WC+VM San Antonio, Texas
3. These three DFACs are more than capable of serving our students for breakfast in a timely fashion without delaying their arrival to class in the morning. However, because of the training mission and the subsequent student population on Chapman Annex, and additionally because of the travel distance to main base Lackland, it is not feasible for student’s attending ALS to dine at these DFACs for lunch. Students who choose to eat at these facilities during the lunch hour are frequently rushed back to class and are at risk for being late. Units must take this under consideration when providing funding for their TDY students.
4. If you have any questions or concerns, please contact the schoolhouse at commercial: (210) 925-0119/1233, or DSN: 945-0119/1233. Thank you.
