

14 March 2020

JBSA Teammates,

A JBSA COVID-19 Restriction of Movement (ROM) Order is attached. This ROM Order, along with the attachments, are provided for your use to facilitate OSD's Force Health Protection Guidance (Supplement 4) 14-day ROM for service members and others (DoD civilian employees, contractor personnel, family members) arriving at JBSA from CDC THN Level 3 or Level 2 locations.

We have identified appropriate domicile space for those who do not have a local residence in which to carry out their ROM. Please feel free to contact our JBSA EOC at 210-671-2626 for further information or for any questions you may have.

Thank you for your continued support.
